“Shirley of Hollywood signature corsets and bustiers are going to continue to be very strong in both the boudoir and out on the town as our business experiences continued growth – even as the market becomes more competitive,” said Eric Schlobohm, Shirley of Hollywood International Sales and Marketing Director. “For Valentine’s, we’ve combined our trademark attributes -- exceptional fit, superior fabric, supreme comfort and unrivaled customer service – with a fashion forward design aesthetic and new specialty product offerings that are receiving enthusiastic response from retailers.”

“We keep business as personal as the lingerie we sell,” said Roy Schlobohm, President, Shirley of Hollywood. “In today’s hands-off world of mega-mergers and outsourcing, we’re proud to be a family-owned and operated business, intimately involved in every step -- from design and manufacturing to sales and distribution. Three generations of Schlobohms have run Shirley of Hollywood with the same care and attention to detail as our founder, my father Herman Schlobohm, did nearly 60 years ago.”

Adds Eric, “We’re known for our personal service, really listening to and collaborating with our customers to bring out collections that perform better at retail than anything in our category. This attention to detail shines through in every Shirley of Hollywood collection released. Shirley makes the Valentine’s truly romantic, and the rest of the year too. My grandfather Herman would be proud.”
